Red Wing's Current

Mission Statement: The City of Red Wing is dedicated to creating, preserving and enhancing the quality of life for all.

Red Wing City Council

2015—2016

As your government representatives on the local level, these officials should be commended for their commitments of time and thoughtful decision-making as they are confronted with issues and concerns on an ongoing basis. Working together with city staff, they work to create and maintain an excellent standard of living within Red Wing.

Dan Munson, Jason Sebion, Dustin Schulenberg, Ralph Rauterkus, CC Vice President Peggy Rehder, Lisa Bayley, Mayor Dan Bender, CC President Dean Hove.

Become Part of Red Wing's Boards and Commissions

Volunteers who serve on any one of the formal Boards and Commissions work to execute the City Council's broad visions. In addition, there are many groups and individuals who volunteer their time to help with city functions, facilities, and events. There are also established groups of volunteers who help support the parks, public library, and the Sheldon Performing Arts Theatre. According to City Council Administrator Kay Kuhlmann, "The volunteerism we see just in city government is a great indication that people in the community truly care about the quality of life here and are willing to invest their time and effort to contribute. Red Wing is really fortunate to have so many individuals in the community who are willing to commit their time and talents here." Applications available on our website at www.red-wing.org

YourGov is an application that allows the citizens of the City of Red Wing to report non-emergency issues to the city. To learn how to download this app onto your smartphone please go to <http://www.red-wing.org/yourgov.html>

Interviews with City Staff and Elected Officials

Remember to Shovel Your Sidewalk!

It's the neighborly thing to do.

Many people, including children, the elderly, and those using wheelchairs and strollers depend on sidewalks all year long.

**So be Red Wing nice.
Clear your snow and ice!**

(And if you have a neighbor who needs help shoveling, consider lending a hand.)

To keep Red Wing's sidewalks safe and pleasant for everyone, Red Wing's policy states that all property owners must clear their sidewalk within **24 hours of snow or ice**. City crews **will inspect** and shovel private sidewalks that have not been cleared, and property owners will receive an invoice for \$50.

**Would you consider shoveling sidewalks for those who can't?
It's a great way to volunteer or earn money
for you or your organization.
Email: walkbikeredwing@gmail.com
to be added to the Shoveling Resource List.**

The City of Red Wing provides **free sand** at 229 Tyler Road North or 321 Bluff Street.

Policy affects all property owners, including landlords.
