Finance Committee (FC) Guidelines

1. The FC is required to review the guidelines during budget review of each year.
2. The FC may defer to interest only payment for up to 6 months.
3. The FC shall establish terms, based on loan amount and loan type.
4. The FC shall establish Collateralization of each loan. Loans may be given without collateralization.
5. Interest rates will be based on risk, but will range from Prime + 1% to Prime + 4%, with a minimum interest rate of 7.0%.
6. Upon approval of a loan application, the FC shall make a recommendation to the Port Authority Board of Commissioners at its monthly meeting.
7. Upon denial of a loan application, the Director of the Port Authority, on behalf of the FC will send a letter stating the reason for denying the loan to the prospective borrower as well as each Port Authority Board Commissioner.
8. FC shall establish the reporting requirements for each loan. The minimum requirement will be an annual report due 30 days after the business year end.
